When guest re ride in home straight, Rdr advised early in h/straight had been following KETTLEBELL and had envisaged another runner would commence to weaken after being obliged to race three wide-said when this did not occur, then became awkwardly placed at heels-added had improved to the inside of heels & felt would have had to overly restrain mount to avoid that runner's heels in order to shift wider, therefore elected to shift in near 200m.

			and the account to talk and a contract the action of the con-

eased down from 300m. A post-race vet exam revealed no abs. Thr reported expecting a forward showing & supported accordingly-said despite beginning awkwardly and being wide, was disappointed with the run, however; attributed it to track conditions-added gelding is a gross horse, and would be looking future start over a similar distance but a good surface.
