When asked about tactics adopted from 1300m, Rdr stated instructed to allow gelding to stride unrestricted and slowly work into race from about that point, so gelding was in striking range coming to the home turn-said after slow start, allowed mount to improve around field from 1300m, & as the pace had slackened, resulted in gelding settling outside lead near 700m-added a short distance later, gelding was under pressure & weakened from the 200m.

S. Comments:Slow to begin. Laid in under pressure in h/straight. When asked about performance, Rdr reported instructed to ride conservatively early in an attempt to allow gelding to settle as it was its first attempt over 1600m-said from wide barrier and after being slow to begin, settled at the rear, where gelding resented kickback early-added when placed under pressure, gelding responded to riding until peaking over final 100m and did not run out distance.
