S. Comments:Raced three-wide without cover for the majority. When questioned re ride, Rdr explained intention to lead, and although gelding began well, it was not able to clear inside runners, which were pushing forward early and consequently obliged to race wide without cover-added gelding began to feel the ground over the latter stages and did not feel right in its action. Tnr confirmed tactics & noted gelding being obliged to race wide without cover may have had an affect on its finishing effort. A post-race vet exam revealed a slow recovery.

S. Comments:When questioned, Rdr stated instructed to take up a forward position, however; gelding became agitated in the gates prior to the start, only began fairly and to avoid being caught wide from an outer gate, elected to steady and find cover-added gelding did not travel on the bit throughout the race and when asked for an effort in the straight, made gradual ground but was disappointing. A post-race vet exam revealed no abs.
