When questioned whether there was an opportunity to race in a one-wide position near 900m, rather than positioning gelding on rail, Rdr advised felt would have had to pressure mount to hold his position and being mindful of having mount over race in a small field, felt was better served allowing gelding to travel comfortably-added for this reason, elected not to contest the position behind one off resulting in that position being taken by another runner.

Rdr reported had to make use of filly early as would have been caught wide without cover and consequently allowed filly to stride to sit outside the leader, however; when that runner steadied, was then obliged to lead-added filly travelled well in the run, but failed to let down in the straight as expected and was disappointing.
