Then obliged to shift out before being held up at heels for the remainder of the event and was unable to be fully tested to the finishing line. When asked about tactics adopted, in particular decision not to elect to improve into a 3 wide position near the 900m, Rdr explained mount was inclined to lay in throughout and over-race & as gelding is relatively lightly raced it may not have been capable of sustaining a wide run from back in the field.

Then obliged to shift out before being held up at heels for the remainder of the event and was unable to be fully tested to the finishing line. When asked about tactics adopted, in particular decision not to elect to improve into a 3 wide position near the 900m, Rdr explained mount was inclined to lay in throughout and over-race & as gelding is relatively lightly raced it may not have been capable of sustaining a wide run from back in the field.
