Currie expressed some disappointment with the performance tonight, however he advised that, in his opinion, the horse may not have been suited to the step up in distance to 1200m, and indicated that he will now look to drop the mare back in distance before its next start. A post-race veterinary examination revealed the mare had shifted a plate on the off hind leg, however no abnormalities were detected. A swab sample was also taken from the mare.

The rider stated that the horse had been slow to begin, did not muster pace in the early stages and was positioned at the rear of the field. Rider stated that in the early and middle stages, was reluctant to improve however from the 400 metres to the winning post had made steady ground. App. E Bell stated that this was the mares first start on dirt surface and was of the opinion that the 1000 metre was too short and would benefit from a step up in distance.
