S. Comments:Underwent a pre-race veterinary examination after becoming fractious when being reshod in the tie up stalls. The examination revealed no abnormalities. App O. Kendal reported approximately near the 300m her mount may have either resented the tongue control bit, or BIG ROCKET may have held its breathe for an extended period due the abnormal respiratory noise she heard BIG ROCKET display at that moment. Due to this noise, she allowed her mount to be eased down in the home straight shortly after. Trainer D. Whyte advised stewards that he would experiment with gear.

S. Comments:Bumped on the hindquarters shortly after jumping by ENTERPRISE PHOENIX. When questioned regarding the performance, jockey W Satherley could offer no explanation for the performance and added that his mount travelled well throughout the event but when he asked for an effort, FLYING AURION failed to respond to his riding and went to the line in a disappointing manner. Jockey Satherley further added that he had no concerns with his mounts action or condition during the event and was at a loss to explain the overall performance. Vet exam revealed no abnormalities.

S. Comments:Jockey stated that TRICKY BEANS raced well in the early stages, and didn't feel as though his mount had to do much work to gain a forward position. He added though that during the middles stages he noticed the gelding started to come off the bit and failed to respond when placed under pressure. He added that the 62.5kg his mount had to carry was detrimental to its chances and during the straight TRICKY BEANS was struck by the whip of another rider. A post-race exam revealed an injury to the nearhind hamstring. Trainer advised a vet cert would be required prior to its next start.
