In Running: 2/2/2 S. Comments: Over-raced in early and middle stages. When questioned re tactics, in particular over the middle stages, Rdr stated mount over-raced in the early and middle stages and was intention to maintain a position at the rear, however, after another runner improved to outside passing the 1000m, this

caused mount to take charge, forcing gelding to sustain an extended run which was detrimental to its finishing efforts. A post-race vet exam revealed minor abrasions to off-hind leg.
