When asked re tactics, Rdr stated anticipated settling in a leading position, however; after beginning only fairly, found mount in a wide position early-said passing the 1000m, when attempting to improve into a position one off the fence, another runner shifted off fence for a short distance, resulting in mount being unable to obtain cover. When quest if there was an opportunity to make use of mount early & obtain a more forward position, Rdr said given mount was on 7 day back up, was mindful not to make use of mount too early & elected to sit where comfortable in 3 wide position.

S. Comments:When quest re tactics, Rdr explained instructed to ride mare cold, similar to last start-said was able to get mare to settle early, however; was mindful on a quick back up, not to be exposed to an extended run too far out-said after 600m, when positioned in a pocket at rear was unable to improve & elected to ride for luck on entering home straight-added mare has a tendency to lay in & when commencing run on straightening, became awkwardly placed at heels for a short distance before finishing off race positively. Tnr not disappointed with run given large weight & quick backup.
