S. Comments:Bumped at the start. When asked to explain tactics in settling at rear, which is in contrast to horse's only race start, Rdr explained had been instructed to obtain cover in a forward position and if mount did not settle, permitted to stride to the lead-said after being inconvenienced on jumping away, attempted to obtain cover midfield early, though elected to restrain to the tail of the field to obtain a position closer to fence. Tnr's rep confirmed that settling at rear of the field had not been the pre-race instructs.

S. Comments:Rdr reported horse was not entirely comfortable on the soft surface and recommended to have blinkers added; and given the horse's lack of interest in improving into the race, would be better suited to racing as a gelding. A post-race vet exam revealed no abs. Official trial to satisfaction of Stewards prior to resuming.
