S. Comments:Bumped at the start. When asked to explain tactics in settling at rear, which is in contrast to horse's only race start, Rdr explained had been instructed to obtain cover in a forward position and if mount did not settle, permitted to stride to the lead-said after being inconvenienced on jumping away, attempted to obtain cover midfield early, though elected to restrain to the tail of the field to obtain a position closer to fence. Tnr's rep confirmed that settling at rear of the field had not been the pre-race instructs.

S. Comments:When quest re improved performance, Tnr's rep advised gelding trialled successfully during week with addition of a blindfold, which aided in gelding being able to jump with the field & to take up a forward position-added surprised to see horse begin so well, it will be the intention of the stable for the gelding to be ridden in a similar pattern going forward.
