S. Comments:Over-raced during the early stages. Whilst weakening was tightened for room near the 400m and had to be steadied. Rider G. Cartwright reported to stewards that in hindsight the slow tempo of the event had a detrimental effect on her mounts overall performance as after gaining a favourable position behind the lead in the early stages of the race, the gelding over-raced when the pace slackened passing the winning post on the first occasion. Trainer P. Butterworth reported that the gelding returned to scale with minor lacerations to the near fore leg and both hind legs.
