When asked about performance and the tactics, Rdr reported instructed to have gelding ridden further back, however, gelding is better suited when racing in a more forward position. When questioned, Tnr stated instructions were to begin neutrally on the gelding, and attempt to obtain cover on the fence as gelding has a habit of pulling hard previously.

When questioned as to whether there was an opportunity to steady & come back to outside passing the 200m, Rdr stated had committed to the run to inside run & to take hold and shift out across heels, would have required checking mare. When asked as to whether could have ridden the gelding with any vigour passing the 75m when there was clear running, Rdr said gelding had lost all momentum after being held up & believed race was over at that point. Fined for not riding horse out.
