S. Comments:Raced wide throughout. Inquiry re poor performance. Rider advised that the mare failed to show its customary speed today and was obliged to obtain a position off the pace which was in contrast to the horse's established racing pattern. She added it failed to travel strongly throughout the event and when placed under pressure failed to respond to her riding. She said the mare raced flat today and attributed this to it not backing up from its most recent start. Vetted with no abnormalites detected.

He advised that he would experiment with the addition of a tongue-tie for its next race start.
