Rolls explained that the horse was fresh and overraced throughout the event and raced more forward than anticipated. When questioned regarding the horse's overall finishing effort over the concluding stages, he said the gelding was disappointing and that the early effort may have told at the finish. Trainer B. Lockwood said that in light of today's performance he would look to freshening up the gelding before resuming.

She added that the horse has had a tendency in the past to race field shy and being positioned at the tail of the field did not suit the horse, which did not travel comfortably at any stage of the event. When questioned as to the horse's seemingly improved performance, trainer B. Smith stated that the filly did not appreciate the soft conditions at its last start. Mr Smith noted that its last start was 5 weeks ago as he had been forced to scratch the filly on a number of occasions to avoid wet tracks. Mr Smith added that the filly was also suited today by the drop back in distance to 1200m from a good barrier.
