S. Comments:Rider comment re below market performance - stated filly travelled fairly until 500m however, when trailing in a one out position did not stride out as expected and felt with the filly only being small in stature had difficulty with the rise in weight up to 58 kilos. Also of the view the filly may be better suited in distances further than today's event.

S. Comments:Raced wide without cover for the majority of the event. Stewards questioned App. T. Williams in regards to the tactics in the early and middle stages and as to the reasons she left a three wide position with cover near the 800m to improve wider on the track. Ms Williams stated that after obtaining cover and being crossed by LILIERO, her mount was inclined to race keenly and as a result she elected to shift wider on the track and improve forward. Stewards advised Ms. Williams that she had erred at this stage of race and should have made a greater effort to maintain her position with cover.
