S. Comments:When attempting to improve approaching the home turn, was disappointed for a run between BETTER BROTHER and JIMMY NEUTRON, obliged to steady. Asked to comment on performance, App. J. Murphy stated the mare travelled fairly for majority of event and when asked to improve after passing the 600m, failed to respond to his riding. He further added although disappointed for a run passing the 400m and then had some difficulty securing clear running, when able to find clear running, the mare again failed to finish the race off as expected and in his opinion proved disappointing.

S. Comments:After passing the 500m was placed under pressure and failed to respond and in the home straight proved disappointing. When asked to comment on the performance, Trainer M. Wilson advised that even though FANX raced in a forward position, he is of the opinion that FANX is better suited when allowed to lead and dictate terms. As the gelding was unable to do that today, this may have had some bearing on its finishing effort. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:When questioned regarding the horse's seemingly improved performance, connections advised that at its previous start at Texas the mare did not appreciate the firm track on that occasion and had jarred up. They added that the mare was suited by today's bigger track and the step up in distance and that a forward showing was expected. They further added that the horse will now be sent for a spell. The veterinary surgeon reported that the mare was showing signs of soreness in its near fore foot post-race.

Comments:After passing the 500m was placed under pressure and failed to respond and in the home straight proved disappointing. When asked to comment on the performance, Trainer M. Wilson advised that even though FANX raced in a forward position, he is of the opinion that FANX is better suited when allowed to lead and dictate terms. As the gelding was unable to do that today, this may have had some bearing on its finishing effort. A post race veterinary examination of the horse, which weakened badly in the straight, revealed no abnormalities. Jockey M. Cahill indicated he could not explain the performance, which he considered disappointing. He felt the horse had travelled well until after being placed under pressure and then weakened badly in the final 400m. Stewards advised connections that the horse would be required to trial satisfactorily prior to starting again.
