Comments:When asked to explain tactics adopted rider J Byrne stated it had been his intention to race in a more forward position however after it became apparent that he would be caught wide when runners improved to his inside he elected to restrain to the rear of the field. He added JETTY was not suited by the slow tempo in the early and middle stages and when improving into the race from the 600 metres was forced wider by runners to the inside when rounding the home-turn. A post-race veterinary examination of JETTY revealed a slow post-race recovery.
