Comments:When quest re tactics, Rdr stated instructed to allow gelding to settle where comfortable & early with the quick tempo being set, was obliged to race towards rear-added did not want to be positioned down on the rail and was attempting to hold a one-off position, adding that approaching the 800m, speed of race slackened & therefore elected to shift three wide, continue momentum & was satisfied with the way gelding finished race off.-further added, gelding would appreciate being ridden conservatively.
