S. Comments:When questioned re tactics, in particular leading event, which contrasted horse's recent established racing pattern, Rdr stated not intention to lead & envisioned settling midfield with cover-added after beginning well, filly quickly improved to obtain lead without being pressured & as horse was travelling comfortably, allowed mount to hold lead. Tnr advised filly had not been beginning well in its races & with removal of ear muffs & step up in distance, these 2 factors contributed to horse beginning more favorably & obtaining a more prominent position, despite no specific instructs to lead.
