S. Comments:Received a bump near the 400m, then appeared to lose its hind legs and slip behind. After viewing the film, B. Stewart concurred and said that after this incident he was concerned with the filly's action and for this reason did not persist in riding the horse out. A post-race veterinary examination revealed a superficial laceration behind the off fore knee.

Rider advised that after being slow to begin she rode vigorously in the early stages and the gelding was reluctant to improve to the outside of another runner when passing the 800m. She further added that when asked to improve rounding the home turn outside of Totally Sure, her mount again raced greenly with its head in the air, showing a reluctance to race between horses. She indicated that when afforded clear running in the home straight, the gelding found the line well and was of the view that a step up in distance to 1200m would be beneficial for the gelding.

S. Comments:Stewards questioned rider regarding tactics. He indicated he had been given no specific instructions, however rode vigorously out of the barriers in order to cross OUR ROCKY. He then felt that when the favourite improved to the outside he would be better served holding the position to the inside.P Duff confirmed indicated he was disappointed with the horse and would now step the horse up over 1400m where the gelding may be able to obtain a forward position more easily.He added that KING OF THE CASTLE had trialed during the week and, in hindsight, this may have left the horse a little flat.

Apprentice Johnson stated that REGULAR had shown a tendency to overrace when ridden with cover. As a result, when the tempo of the race slowed she elected to allow her mount to come out and travel three wide from that point onwards. Trainer B. Guy confirmed the comments of apprentice Johnson regarding the horse's previous racing manners. Stewards noted the explanation. Vetted and found to have a slow post-race recovery.

She said from the wide draw she strode forward and became concerned when TRIPLE JEOPADY, which was racing to her inside, was overracing slightly, and it would not settle, allowing her to cross. She added she had to make more use of her horse to cross that runner near the 800m. Miss Stower stated in hindsight it would have been preferable not to have made as much use of LANDALE but with the specific instructions she felt she had little alternative but to ride it in the manner she did.
