After beginning on terms he allowed PROFILER to push forward of him in an effort to comply with instructions however, SPIRIT TORQUE, which drew inside him, remained in a one wide position. As a result he was obliged to restrain the gelding to obtain cover behind SPIRIT TORQUE, which resulted in him racing further back than anticipated. |                  |              |                              |

| S. Comments:Stewards questioned rider regarding tactics. He indicated he had been given no specific instructions, however rode vigorously out of the barriers in order to cross OUR ROCKY. He then felt that when the favourite improved to the outside he would be better served holding the position to the inside.P Duff confirmed indicated he was disappointed with the horse and would now step the horse up over 1400m where the gelding may be able to obtain a forward position more easily.He added that KING OF THE CASTLE had trialled during the week and, in hindsight, this may have left the horse a little flat. |                     |                  |                            |

| S. Comments:Questioned re: improved performance stable noted the filly was having its second race start. At its first start the filly, after being slow to begin, suffered interference during the early stages which contributed to its disappointing performance. Stable added that the filly began well today and was able to travel comfortably in a midfield position, which with the addition of blinkers contributed to the improved performance. Trainer reported that the filly suffered a hindleg injury subsequent to this start and was sent for a spell. |                         |                   |                             |

Gollan both advised that in their opinion the filly raced greenly today and would derive a benefit from the race experience, given it was having its first start. They added that in their opinion the filly would be better suited in races over a further distance than today's event moving forward in its preparation.

| S. Comments:Leaving the 500m had to be checked after being brushed by TORBAY and then shifted in making contact with the running rail and as a result lost significant ground. At a subsequent inquiry stewards found that HORA SEXTA shifted in marginally making slight contact with TORBAY, which in turn shifted in and bumped UNION. After HORA SEXTA relieved the pressure TORBAY continued to lay in on top of UNION further crowding that runner. Stewards could not be satisfied that the actions of J. Byrne (HORA SEXTA) or C. S. Comments:Rider reported at scale the gelding was under pressure leaving the 500m and was only able to finish the race off fairly. Rider further added that the gelding was better suited when ridden more quietly further back in the field. Trainer agreed with the comments and added that in his opinion the gelding was not suited by the slow tempo in the early and middle stages.

A post-race veterinary examination revealed the mare to be lame in the off hind leg. Trainer S. Iverson was advised that he must provide a veterinary clearance prior to the horse starting again.
