Questioned regarding below market performance, Jockey stated after being slow to begin and then receiving slight interference shortly after, the filly failed to show sufficient early speed and raced 3 wide. He added that the filly only finished the race off fairly. He noted a step back in distance from its last start may not have been ideal and suggested to connections to experiment with blinkers.

Jockey J Oliver stated gelding under pressure for majority of event and despite being held up in the early stages of the home straight in his opinion was a beaten horse and therefore he elected not to ride it vigorously over the concluding stages. Stewards advised Jockey Oliver that at all times where permissible, he should ride his horses out so as not to leave his riding open to question. Vet exam - no abnormalities.

S. Comments:Raced keenly in the early stages. When questioned regarding the horse's improved performance, trainer indicated that the filly had run well at her first start at Warwick on 26 December, however had not been able to obtain clear running at its most recent starts and was disappointing. He added that he was anticipating a forward showing today.

S. Comments:Began awkwardly and bumped STEERING and then shifted in and bumped SLIPPERY SAGA. Inquiry re tactics adopted. Rider T. Harrison stated that whilst it was not her intention to lead, the racing manners of the filly, being inclined to hang out, resulted in her allowing it to stride forward in order to have it settle, however it continued to hang out and proved difficult to ride out with her usual vigour in the straight. Vetted and found to be lame in the near foreleg. Trainer J. Wallace was that a veterinary clearance must be provided prior to its next race start.
