S. Comments:When questioned regarding the horse's seemingly improved performance, trainer G. Duncan advised that at its first run back from a spell at Warwick on 26 December 2017, the horse went back from its barrier and when attempting to improve approaching the home turn was forced wider by another runner and lost momentum. He added that given the circumstances of that occasion he was not overly disappointed in its performance, and that with the benefit of that run and being fitter for today's event and with the small field, he gave the gelding a reasonable chance.

S. Comments:When questioned regarding his riding of the gelding approaching and rounding the home turn, whereby the horse shifted out and allowed a stablemate, BRIGADOON RIDE, to gain a run to his inside, J. Lloyd advised that his mount never travelled in the early stages and had to work hard to reach a position outside the leader at the 800m. He said the horse was under pressure passing the 600m and soon after, on straightening, shifted out when weakening. The explanation was noted. A post-race veterinary examination revealed abrasions to the offside stifle. A swab sample was taken.
