S. Comments:Began awkwardly and a short distance later severely tightened for room. Rider comment re performance - stated after beginning only fairly unable to obtain a forward position as intended and settled further back than anticipated. Added filly shown good early speed in recent trials and as a result was expecting to settle closer to the speed and when unable to do so this may have attributed to its performance. Further stated filly would be better suited once it steps up in distance.Vetted - no abnormalities.

He added that as the filly has a history of hitting itself, corrective shoeing was undertaken on the filly by way of the addition of tips, which Mr. Andrew also felt was a contributing factor to the filly's improved performance.
