S. Comments:Over raced in middle stages. Held up for clear run passing the 200m. When quest re tactics adopted & if there was an opportunity to improve into a run near 200m, Rdr stated when approaching that point, was mindful of weakening runner & when weighing up options, was of view there was insufficient room to improve into the run, therefore committed to shifting out around heels, however when doing so, weakening runner rolled out marginally, becoming awkwardly placed outside heels of that runner, halting the momentum of mount. Cast the right hind plate.
