S. Comments:Slow to begin, bumped & lost ground. Laid in under pressure in h/straight. When questioned Rdr advised instructed to obtain cover as gelding has a tendency to over-raced if pressured early & from outside gate elected to obtain cover rather than be caught wide-said from a more favorable gate mount may have been able to settle in a closer position-added mount was not suited by tempo, however was pleased with the performance, especially how gelding finished race off over final 100m. Passing the 200m, raced in restricted room for a short distance. When asked about performance and its racing mannerisms in the early and middle stages, Rdr advised gelding had a tendency to over race in the early and middle stages and when asked for an effort from the 700m, became awkward in its stride & was left flat footed, which was detrimental to its finishing efforts.

Intention to send the gelding for a spell.
