Stewart stated that he attempted to obtain the lead, however when runners to his inside improved, he was caught racing three wide, which on the heavy track he was content to do. He added that once rounding the home turn when he placed his mount under pressure it failed to respond and therefore he was inclined to desist with pressuring his mount for the remainder of the event. S. Comments:When questioned regarding the disappointing performance, apprentice H. English explained that the mare failed to respond when placed under pressure near the 500m and attributed this to the prevailing track conditions. A post-race veterinary examination revealed the mare to be suffering from mild heat stress.

S. Comments:When questioned regarding the performance, Trainer P. Sexton advised that the instructions were to be in a forward position and allow the mare to travel comfortably, however he felt the mare's performance was disappointing and that she had come to the end of her preparation. Trainer Sexton also advised that it is his intention to send the horse for a spell.
