S. Comments:Connections advised that it would be the intention for the gelding to be ridden further back in the field today if circumstances permit. After jumping, the gelding was restrained and caught 3 wide, and was unable to obtain cover despite the efforts of its rider and, as a result, raced 3 wide in a forward position until a point passing the 900m where it obtained cover. Commenced to weaken after passing the 400m, and was slightly cramped for room by runners to its outside which were laying in slightly, and had to be steadied away from the heels of GLENTURRET which was weakening.
