After beginning awkwardly and from wide barrier had to ride vigorously in early stages to comply with instructions. Pressure required in early stages had detrimental effect on overall performance. Noted filly trialled well when settling in forward position and would derive fitness benefit from run. Trainer confirmed instructions and would issue similar instructions in future when stepped up over further distance. Reminded of obligations to advise of change of tactics.

Apprentice Tarrant indicated that it had not been his pre-race intentions, however after settling, his mount commenced to overrace when the pace slackened at that point and after shifting wider to avoid heels, he was of the view that it would be in his best interests to position the horse closer to the lead.

S. Comments:Rider J. Lloyd reported that his mount overraced in the early stages and, in his opinion, this had a detrimental effect on the horse's performance. He added that with hindsight when positioned 3 wide near the 850m he would have been better served allowing the horse to stride forward to the lead.

Miss Harrison indicated that as horse previously had a tendency to begin poorly, pre-race discussions were had with trainer W. Hulbert and formed the view the horse would be positioned in the second half of the field with cover. However, when it began well she elected to push forward being aware that there was limited speed in the race. Trainer W. Hulbert confirmed they had not expected the horse to lead.

S. Comments:Laid out across heels near the 900m. When questioned regarding the performance of SHENVAL, L. Rolls stated that after an incident near the 900m, the gelding over raced for a short distance afterwards, however after travelling nicely only found the line fairly and proved disappointing. He added that SHENVAL may perform better when stepped up over further distance than that of today's event.

S. Comments:Held up approaching home turn. Questioned tactics adopted - rider stated from awkward barrier content to obtain midfield position with cover bearing in mind strong tempo early stages. Rider added in early stages anticipated would be able to settle midfield position outside of FREEPORT, which he thought would cross to rail. However, when PUT YOUR HANDS UP improved to inside of FREEPORT he was going to be caught 3 wide so elected to restrain to get cover behind FREEPORT, which resulted in him racing further back in the field than anticipated.

He indicated that due to the horse having poor pre-race manners he had started it at its first start from a spell wearing earmuffs and with hindsight was of the opinion that the earmuffs caused the gelding to switch off as it was unable to muster early speed and was disappointing.
