Tarrant stated that his intentions were to take up a forward position and lead if possible, however the filly was unable to show the necessary speed in the early stages and when an opportunity presented to shift in towards the fence, he took that opportunity rather than be caught wide. He added that the filly was not entirely comfortable in today's prevailing track conditions, which he believed may have contributed to today's disappointing performance.

A post-race veterinary examination revealed no significant abnormalities. Trainer M. Mair indicated that he would have his stable veterinary surgeon conduct blood tests on the horse, the results of which he would report to stewards. He added that consideration would be given to sending the filly for a spell.
