He said the gelding was inclined to lay out throughout and he was reluctant to restrain unnecessarily to get a trailing position behind ABLE ENGINE and felt the horse was comfortable racing in that position. He said the horse dropped the bit on the home turn, however finished its race off nicely, but in his opinion will be better suited by stepping up in distance.

He indicated that he had been instructed to ride the horse in the second half of the field as the filly was having its first start over 1600m. He indicated that the horse began well and if not for the instructions he would have liked to position more forward, however he elected to take hold and settle at the tail of the field. He indicated that the horse finished the race off strongly. He further added that had he drawn an inside alley, the horse would have taken up a more forward position.
