Sewell regarding his riding from the 400m onwards and as to whether he had ridden with sufficient vigour from that point. Jockey Sewell explained that he had bumped another runner approaching the home turn in order to attempt to secure clear running, however this caused his mount to become unbalanced and the horse did not travel comfortably from that point. He added the horse was held up for clear running passing the 400m behind the tiring LEBRON, before he was afforded

Jockey Cormack added that, in his view, the gelding would be better suited in races over a further distance, and that the horse would take a fitness benefit from today's race.
