He indicated when attempting to have the horse steady, it commenced to overrace and he therefore attempted to stride forward to the lead. S. Comments:Jumped awkwardly and lost ground. Steadied near the 700m when obliged to race in restricted room and then overraced and was steadied near the 600m. Checked when tightened for room leaving the 50m. Stewards inquired into the circumstances of this incident and established that MORION, which was racing to the outside of TAKES TIME, had laid in under pressure in the home straight, causing its rider to stop riding and straighten near the 150m and again, despite the efforts of its rider, over the final 50m. Stewards were not satisfied that any rider was at fault in this incident.

Comments:Trainer questioned re improved performance - explained at previous start drew wide and in an attempt to obtain cover had to go further back than they would have liked and in a slowly run race made it very hard to make up ground over concluding stages. Of the view run was better than it looked and today being in 900m race felt speed would be on and drew a better barrier, which aided being in a better position. Added gelding handles heavy track conditions and gave it a reasonable change of winning today. Of particular concern to stewards was that he, after having been positioned 3 wide and trailing WITHERING, rather than electing to follow that horse after passing the 500m he stayed closer to the fence, which resulted in him having to alter course when disappoi

He indicated that the stable had expected a forward showing in today's event, adding the mare had had a brief spell after performing poorly in Townsville on 21 July, which he believed could be attributed to the horse not travelling well in the trip to Townsville. He indicated prior to this, the horse's form had been good and stated that at Doomben on 7 July the horse had worked hard when ridden forward to obtain the lead in the early stages from a wide barrier. Stewards accepted the explanation.
