S. Comments:Change of tactics. To be ridden further back in the field if circumstances permit. Apprentice T. Williams was asked to comment on her reasons for riding the horse the horse in a forward position. Miss Williams confirmed she had been instructed to ride the horse further back in the field, however the horse began the race very well and rather than dramatically restrain the horse she elected to shift across to the fence when a view that horses to the outside may cross her and afford her cover. However this did not occur and she was obliged to race in the forward half of the field. Stewards noted

S. Comments:When questioned regarding the seemingly improved performance, Trainer R Lyford explained that the gelding which was having its first start for the stable had worked reasonably, including a jump-out where it had performed competitively. Mr Lyford further added that he expected the gelding to be looking for distances further than that of today's event and was surprised by the win. He further added that with the fast tempo up front in a small field, this was a contributing factor to the gelding finishing the race off in the manner in which it did.

Jockey Chau was unable to offer any explanation for the disappointing performance. A post-race vet. exam revealed no abnormalities. Stable representative M Sharpe was of opinion that the gelding may be better suited when ridden less aggressively early and may be better suited on a bigger track. Ms Sharpe undertook to advise stewards of any abnormalities that may come to light.
