S. Comments:Trainer D. Heinemann was questioned regarding the horse's seemingly improved performance. He indicated that the horse, in his opinion, raced well at its last start at the Sunshine Coast as it was only beaten 5 lengths. He added that at its most recent start at Gympie the horse received severe interference during the early stages and had to be checked and this had a detrimental effect on the overall performance. He further added that he had expected a more forward showing tonight, however was somewhat surprised with the horse's win.

A post race veterinary examination failed to reveal any significant abnormalities. Trainer's representative Mr M. Henderson indicated they would have veterinary tests performed during the week and would report back to stewards the results. He also added that, in his opinion, the horse may not have appreciated the soft racing surface.
