S. Comments:Rider explanation re instructions and tactics - to settle in a forward position but despite his urgings in early stages unable to race in a forward position. Added approaching 1000m raced in restricted room to inside of UNO EYNO and was restrained and as a result settled further back than anticipated. Further added travelled only fairly throughout and when placed under pressure failed to respond adding in his opinion mare raced one paced. Stable rep indicated may be stepped up in distance next start. Explanation noted.

S. Comments:Commenced to hang out from the 800m and continued to hang out for the remainder. Raced wide throughout. Apprentice H. Phillips and Trainer R. Drysdale could offer no explanation for the horse's disappointing performance, however Mr. Drysdale advised that he will experiment with the horse's gear for its next start. Mr. Drysdale undertook to advise Stewards should anything come to light in the coming days which may explain the horse's disappointing performance. A post-race veterinary examination revealed no apparent abnormalities. A swab sample was taken from the horse.

Of concern to stewards were his actions to shift back to the inside of CAPE WICKHAM when it appeared he had opportunity to shift to the outside of that horse early in the home straight, which would have afforded his mount an uninterrupted run to the line. He indicated it had been his intention to shift to the outside of that runner however when CAPE WICKHAM commenced to shift out under pressure he elected to shift back to the inside as he was reluctant to commit himself to the outside wh

S. Comments:When asked to comment on the performance of his mount, which he indicated was disappointing, stated that the horse settled at the rear of the field, as is its recent pattern, and despite travelling comfortably throughout did not respond to his riding and was very disappointing in the run to the line. He could not offer any tangible explanation for the performance other than to state that carrying 60 kilograms may have had some bearing. A post race veterinary examination failed to reveal any significant abnormalities and a swab sample was taken.

After securing clear running approaching the 400m the horse did not quicken, which he attributed to the slow early tempo which was set in the event. He also added that the mare had laid in under pressure in the home straight.
