S. Comments:Bumped by another runner on jumping away. Stewards questioned M. Du Plessis regarding the tactics he adopted as the horse settled further back in the field than at its most recent start. He explained that he had been given no specific instructions, however, from the wide alley he had anticipated that the horse would begin well and he would hopefully be able to take up a forward position. He added that after being bumped in the early stages and horses racing to the inside showing early speed, he elected to restrain to obtain a position closer to the fence with cover.

Griffin stated that the filly travelled very well into the straight, however, when placed under heavy pressure failed to respond and proved very disappointing. A post-race veterinary examination determined the filly was shin sore. Trainer B. Lockwood indicated his intention to immediately spell the filly. A swab sample was taken.

He stated that after the horse's most recent start in which he felt it raced flat, he had sent the horse for a spell. He indicated that he had to steady from heels when the pace slackened in the early stages, and then enjoyed a favourable run behind the lead throughout the event, however when he asked the gelding to quicken the horse was quite dour in its run to the line and, in his opinion, was somewhat disappointing.

S. Comments:Bumped on jumping. After leading for the majority of the event, when placed under pressure passing the 600m commenced to weaken and finished at the rear of the field. When asked to explain the horse's performance, rider K. O'Hara stated that the mare travelled well until passing the 600m and failed to respond when placed under pressure and she desisted from riding the mare out over the final 200m as she had concerns with its action. A post-race veterinary examination revealed the mare to have poor post-race recovery and to be exhibiting signs of being in season.
