S. Comments: When questioned re ride from 1200m, Rdr stated asked to have gelding in a position for the final sprint home and when the pace of the race eased passing the 1300m, elected to steady and come to the outside of the field and improve to sit outside the leader in an endeavor to have a position to finish off as instructed-added did not believe the efforts to obtain a forward position had detracted from the overall performance.
