When quest re ride in home straight, Rdr advised early in h/straight had been following KETTLEBELL and had envisaged another runner would commence to weaken after being obliged to race three wide-said when this did not occur, then became awkwardly placed at heels-added had improved to the inside of heels & felt would have had to overly restrain mount to avoid that runner's heels in order to shift wider, therefore elected to shift in near 200m.

S. Comments:Held up for a run approaching the 200m & passing the 100m, shifted out & went to the end of race without being tested. When questioned as to whether there was an opportunity to steady & come back to outside passing the 200m, Rdr stated had committed to the run to inside run & to take hold and shift out across heels, would have required checking mare. When asked as to whether could have ridden the gelding with any vigour passing the 75m when there was clear running, Rdr said gelding had lost all momentum after being held up & believed race was over at that point. Fined for not riding horse out.
