S. Comments:Began awkwardly and lost ground. Raced keen early and leaving the 1600m, improved onto heels and checked. Leaving the 700m, laid in and made contact with rail. Passing the 200m, raced in restricted room for a short distance. When asked about performance and its racing mannerisms in the early and middle stages, Rdr advised gelding had a tendency to over race in the early and middle stages and when asked for an effort from the 700m, became awkward in its stride & was left flat footed, which was detrimental to its finishing efforts.

S. Comments: Raced wide. When asked re tactics, Rdr stated anticipated settling in a leading position, however; after beginning only fairly, found mount in a wide position early-said passing the 1000m, when attempting to improve into a position one off the fence, another runner shifted off fence for a short distance, resulting in mount being unable to obtain cover. When quest if there was an opportunity to make use of mount early & obtain a more forward position, Rdr said given mount was on 7 day back up, was mindful not to make use of mount too early & elected to sit where comfortable in 3 wide position.

S. Comments:Warning for being difficult to load. Began awkwardly and lost ground. Leaving the 1000m, was momentarily crowded for room. Approaching the 600m, when racing greenly, got its head up when being steaded from heels. When asked about performance, Rdr reported gelding raced greenly throughout, which was detrimental to its finishing efforts. A post-race vet exam revealed the thumps and a slow recovery.
