S. Comments:Began awkwardly. When questioned whether there was an opportunity to race in a one-wide position near 900m, rather than positioning gelding on rail, Rdr advised felt would have had to pressure mount to hold his position and being mindful of having mount over race in a small field, felt was better served allowing gelding to travel comfortably-added for this reason, elected not to contest the position behind one off resulting in that position being taken by another runner.
