S. Comments:Over raced in middle stages. Held up for clear run passing the 200m. When quest re tactics adopted & if there was an opportunity to improve into a run near 200m, Rdr stated when approaching that point, was mindful of weakening runner & when weighing up options, was of view there was insufficient room to improve into the run, therefore committed to shifting out around heels, however when doing so, weakening runner rolled out marginally, becoming awkwardly placed outside heels of that runner, halting the momentum of mount. Cast the right hind plate.

S. Comments:Began awkwardly and lost ground. Raced keen early and leaving the 1600m, improved onto heels and checked. Leaving the 700m, laid in and made contact with rail. Passing the 200m, raced in restricted room for a short distance. When asked about performance and its racing mannerisms in the early and middle stages, Rdr advised gelding had a tendency to over race in the early and middle stages and when asked for an effort from the 700m, became awkward in its stride & was left flat footed, which was detrimental to its finishing efforts.			In Running: 5/6/6
