| S. Comments:Hampered shortly after the start and lost ground. Approaching the 500m when improving, obliged to shift wider around heels. Rdr reported after being hampered on jumping and with filly only having its second start, mount took time to respond to riding early and after making considerable ground on field in the middle stages, was pleased with filly's finishing effort and would derive benefit from run. A post-race vet exam revealed no abs. |                      |                     |                                     |
