S. Comments:Laid out rounding the home turn. Inquiry re poor performance. Rider advised that after beginning well she obtained a forward position where the gelding travelled comfortably in the early stages of the event. She added however that her mount was under pressure from the 800m, which she attributed to the horse not being entirely comfortable in the prevailing track conditions tonight. Trainer advised that following the disappointing performance, the gelding would now be sent for an immediate spell.
