S. Comments:Bumped another runner at the start. When questioned regarding the improved performance, trainer M. Nolan advised that the mare was having its first race start since July and had been working well in the lead up to today's event. He added that while he was confident of a forward showing, he was still somewhat surprised the mare was able to win today.

Regarding performance, rider was of the opinion the gelding may need to obtain the lead without any pressure and was not able to do so on this occasion. He further stated the gelding had travelled well, however when placed under pressure from the 400 metres had not responded and proved disappointing. Jockey Coome was of the opinion horse may have got its tongue back and recommended a tonque control bit.

S. Comments:Stewards questioned jockey regarding her tactics, in particular in the early stages of the race where she allowed the gelding to stride forward to a position 5 lengths ahead of the rest of the field. Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in

accordance with the horse's regular racing pattern, Stewards noted the explanation and took the matter no further.

Comments: When questioned, rider explained that after being caught wide early, he then elected to ease to obtain a position closer to the rail and as a result settled further back than he had intended. He added that he was then momentarily held up for a run prior to the home turn however, after gaining clear running at the entrance to the straight the gelding was in his opinion slightly disappointing. A post race veterinary examination failed to reveal any abnormalities.
