He explained that the gelding travelled comfortably until he shifted three wide and applied pressure approaching the home turn and in his opinion the horse did not feel comfortable in its action in the early part of the home straight so when weakening he elected to ease the horse down. Trainer T. Sears undertook to report to stewards in coming days anything that may explain today's performance. Vetted, no abnormalities. Must trial satisfactorily before racing again.

S. Comments:Began awkwardly with its head in the air and lost ground. Apprentice J. Murphy reported that after beginning awkwardly his mount settled at the tail of the field, however prior to the race he had expected the horse to settle in this position. He added that whilst the filly made some late ground over the concluding stages, he was somewhat disappointed with its final sprint. Apprentice Murphy advised that, in his opinion, the filly may be looking for further distances than today's event at this stage of its preparation.

S. Comments:Rider explanation re riding in home straight - explained from inside barrier did not muster any early speed and after travelling short distance was a clear last. Added soon after straightening commenced to make ground but became awkwardly placed at heels of PUFFS GIRL. Further added then attempted to shift to inside of that runner but again became awkwardly placed at the heels of GRACEVILLE and as a result was unable to fully test the gelding in home straight.
