S. Comments:When asked to comment on the performance, jockey R. Fradd advised that the mare had travelled comfortably in a midfield position throughout, however when placed under pressure from the 600m it failed to quicken as he had anticipated and ran on only fairly in the home straight. He added that, in his opinion, the below market expectation performance could be attributed to the step up in weight and distance today, and that the mare did not feel entirely comfortable racing on the rain affected track. Stewards noted the explanation.

S. Comments:Rider dropped his whip near the 200m. A. Allen reported that the pace of today's event was more suitable where the horse was able to settle comfortably than at its most recent start. He indicated that at Toowoomba on 18 September the pace set in the early stages was fast and he was obliged to pressure the horse earlier than he would have liked.
