| S. Comments:Tightened for room at the start and lost ground. When questioned by Stewards regarding the seemingly disappointing performance, jockey R. Goltz advised that the mare was hampered considerably on jumping away, however it did not travel strongly at any stage of the race and was hard ridden to improve into the race from the 800m. He went on to say that the mare ran on only reasonably in the home straight and, in his opinion, was most disappointing. Refer full report for comments from Trainer. A post-race veterinary examination of the mare revealed no significant findings. | | | |

S. Comments: When questioned by Stewards in relation to the seemingly improved performance, trainer G. Schwenke advised that, in his opinion, the mare had been unlucky at its last start which preceded its most recent spell. He added that the horse had been working well leading up to today's race and for this reason he had expected a forward showing today. He went on to say that the stable had supported the mare today.

| S. Comments:Raced 3 wide with cover throughout. Questioned performance. Jockey J Oliver explained that at its 2 most recent starts when he was the rider, mare raced in blinkers and settled further back than they would have liked. Trainer M. Nolan removed blinkers for todays event hoping that would allow the mare to race in a more forward position. Despite urging the mare failed to muster early speed and settled towards rear of field. Finished the race off well today similar to that of its most recent start. In his opinion may be looking for distances further than todays event. | | |
