In Running: /1/3

S. Comments:Began awkwardly. Near 300m shifted out & bumped. Rdr had no explanation for performance of mare which weakened considerably in straight. When quest re riding approaching & round h/turn, Rdr explained view of connections, better part of track in h/straight was away from rail, so near 300m, allowed mount to shift out to get away from rail. Tnr confirmed instructs & re-affirmed belief best going was away from rail in straight. Rdr agreed in hindsight it would have been best to have maintained position rather than shifting out. Tnr unable to explain performance & mare going for spell.
